

# Buying – Intern

*If you are a self-motivating person with an interest to learn and experience new things in a challenging job, then an internship at Trademark Textiles A/S might just be the right thing for you.*

*During your internship you will get the opportunity to gain huge insight in the full value chain: from the very first product idea, development, production, and transportation of goods.*

Trademark Textiles A/S produces, designs, and sells private label accessories to well-known fashion brands all over Europe. In Trademark Textiles A/S you will be working in a young, dynamic, and international company with dedicated young people from all over Europe. We have an ambitious and informal working environment, structured introduction program, and good working conditions with free lunch arrangement, and we have also different social activities throughout the year.

## **We prefer if you:**

- Are interested in working with purchase, and the production process of fashion garments.
- Are interested in working with foreign countries.
- Are good with numbers and calculations.
- Speak and write English, and preferable also German.
- Think and work independently.

## **Your daily work tasks:**

- Ensuring the right production and delivery of the garments, oversee the whole process and constantly checking everything is done the right way.
- Get in touch with customers: Understand their needs and wishes.
- Get in touch with both our colleagues and factories in the Far East.

Our company is placed in Southern Denmark, Kolding. Here you will come to work in an international company with young and dedicated colleagues. We have good working conditions and an informal environment, where you will be introduced to your job tasks during the first weeks.

## **The benefits from the internship will be several:**

- Insight in the whole production process of fashion garments.
- Compare theory and practice.
- Close cooperation between design, sales and buying department.
- Working in an international company with 6-8 different country cultures.
- Cooperation with colleagues in the Far East.
- Training in English, both written and spoken, every day.
- Work in “real life” – including sharp deadlines.
- Salary Euro 500 (DKK 3750) including a one-flat apartment to live in with Wi-Fi-internet.

The internship is fulltime, and it will last for 5 - 6 months and starts preferably in August 2024.

Is that you? If yes, please send your CV and application – **in English to [christian.dannemann@trademarktex.com](mailto:christian.dannemann@trademarktex.com)**.
